

Volunteer Information

Adventure awaits — and we need **YOU** to help guide kids toward Jesus, our True North! Before you join the journey, here are a few important things to know:

Background Checks Required

All volunteers age 18 and older must have a current background check on file with the church. We'll help you take care of this step if needed!

Check Your Summer Calendar

Before registering, please review your summer plans and make sure you're available to serve June 22–26. If you'll miss a day or two, that's okay — just let us know in advance so we can plan well.

Middle School Volunteers (Completed Grades 6–8)

We love including middle schoolers in the adventure! If you've just completed grades 6–8, sign up under the Middle School Volunteer role. You'll be placed in assistant roles at stations, with crew leaders, and more!

Freebie Friday Giveaways!

Once you register, you'll be entered into our weekly Freebie Friday drawings — stay tuned for fun surprises! Winners will be announced on social media.

Stay in the Loop

Volunteers will be added to our text and email list so you'll stay up to date with all the latest info leading up to VBS.

We can't wait to serve alongside you as we help kids discover their direction in Jesus — our one true North!
